Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner made courtesy call to inform applicant's representative that the after final amendment filed 8-4-06 is not being entered since adding --wherein the mould includes means for retaining the plurality of studs in the seats, and the retaining means is separated from the plurality of studs-- to claims 33, 40 and 47 is a new issue. Examiner commented that the serial number on page 1 of the after final amendment has been corrected. In particular, the serial number was changed from "10/660,648" to --10/600,648-- by a handwritten notation. .
